Boom! "Aaahh!" I said. "Steve," Adam said. "Why are these grifers chasing us?" I asked. "Because they want our diamonds from Mine Mountain." "Why don't they change their skin like normal townspeople?" Adam asked. I said, "I don't know. Hand over one of your splash potions of slowness or weakness." "Here you go," Adam said.

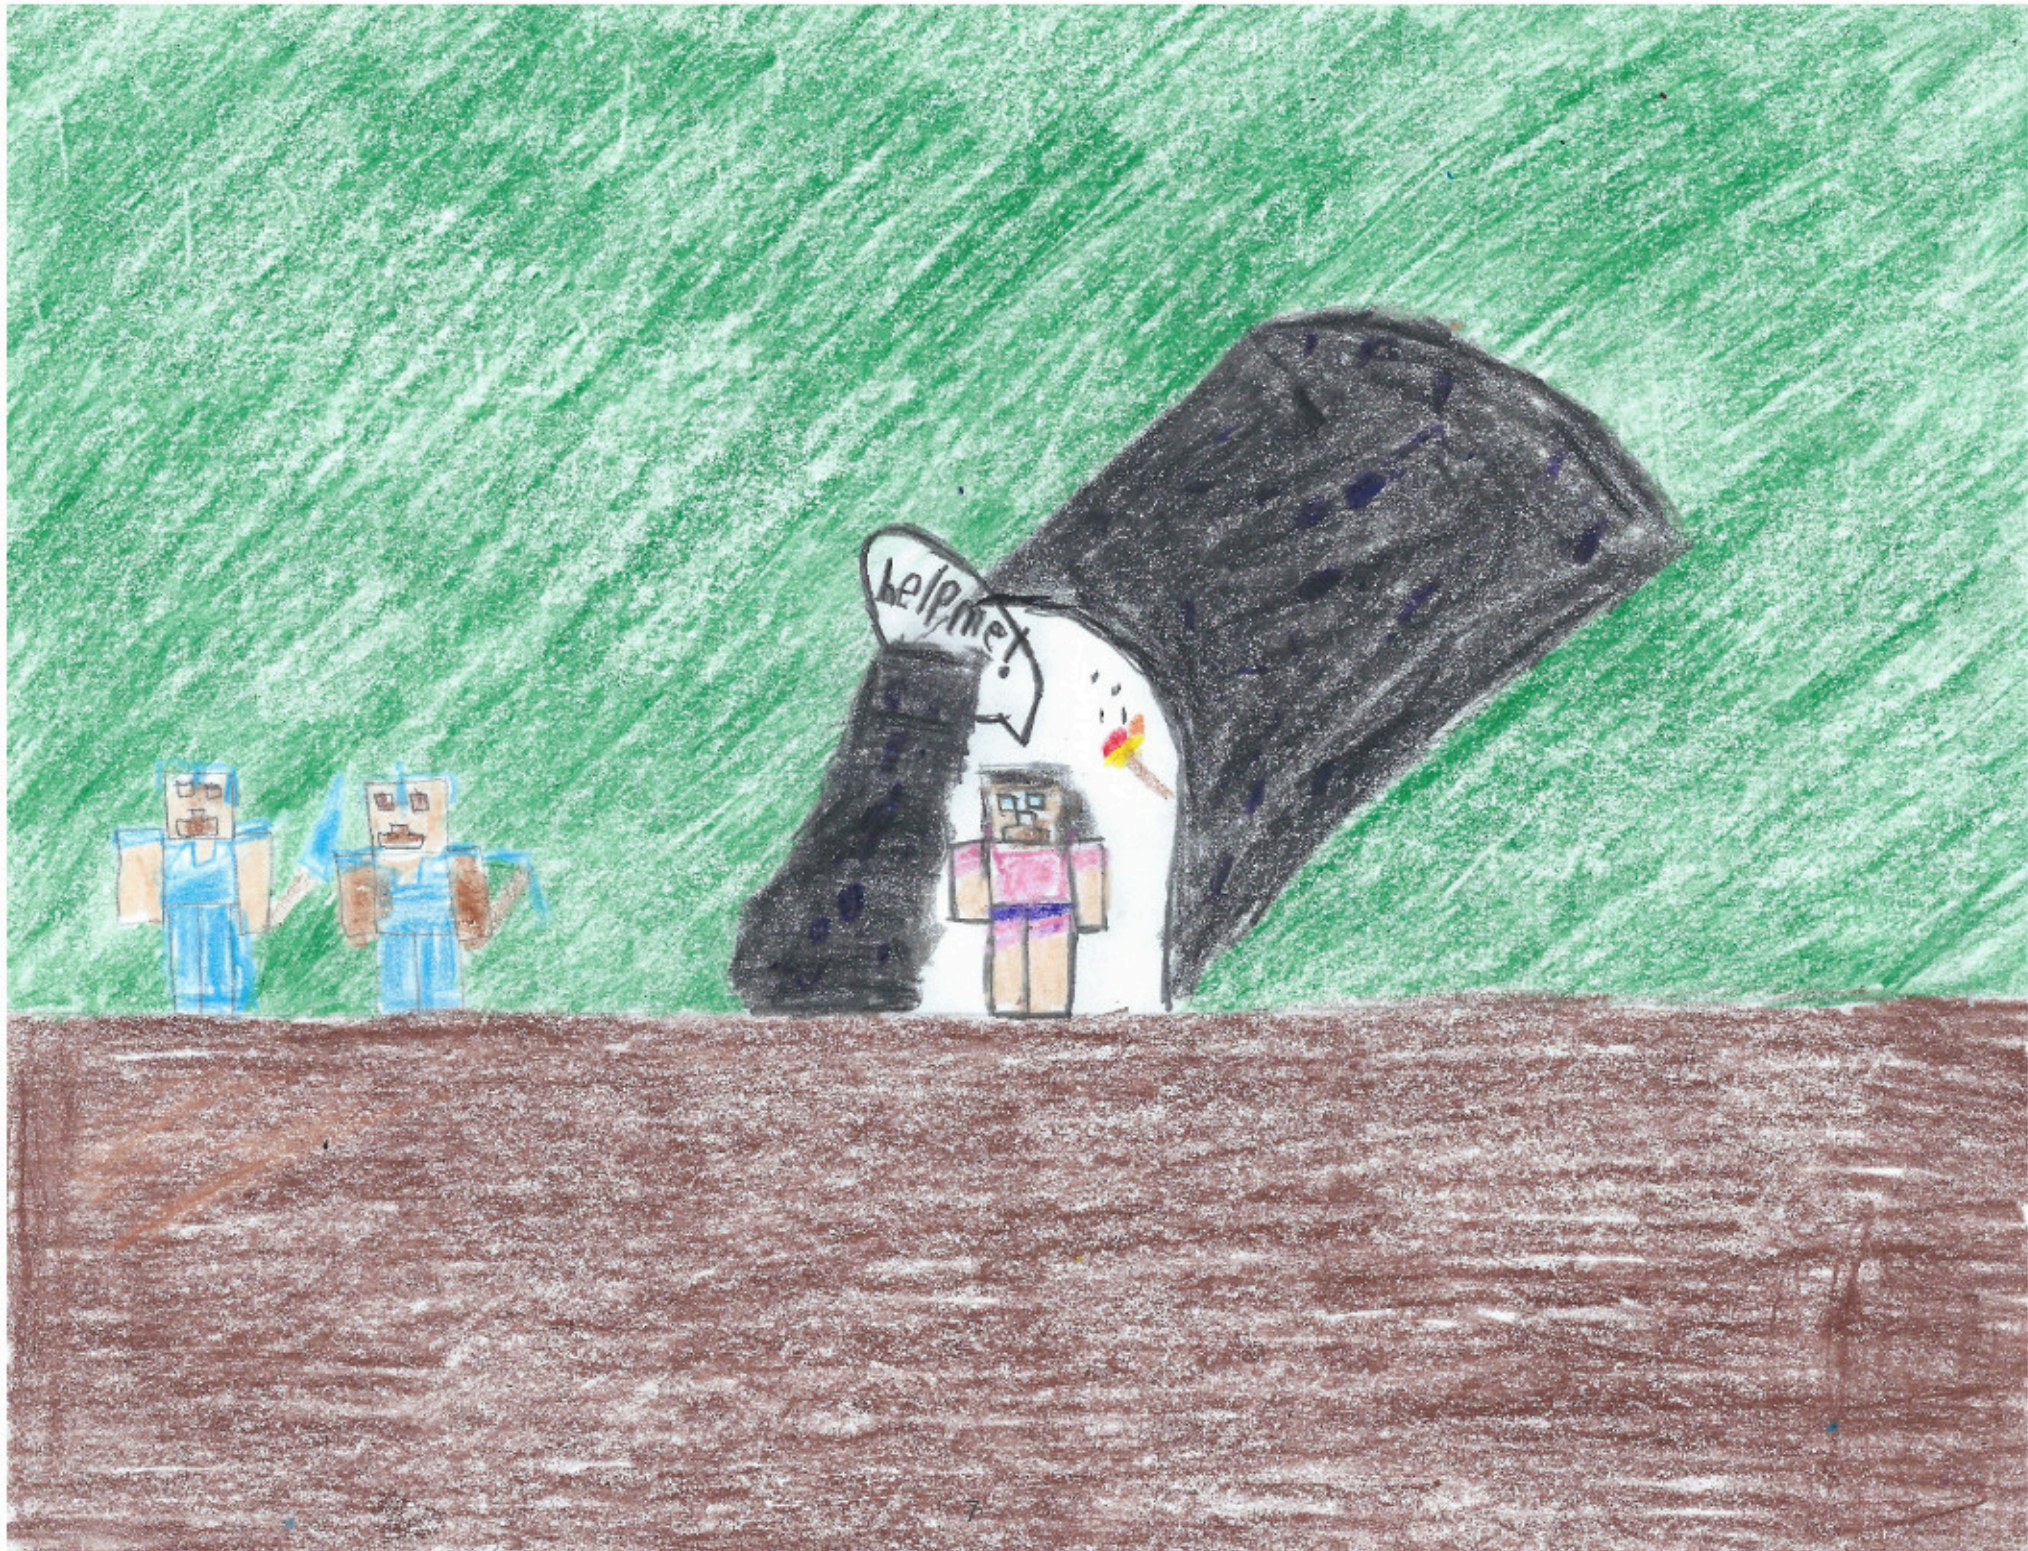

whoosh!

Meanwhile their enemy's Master, Daniel, had an invisibility potion and was watching Adam and I the WHOLE time! Daniel wanted the dragon egg, too, and was very greedy for diamonds. You can easily get diamonds on one of the outer islands. Daniel wanted the dragon egg because it's the only way to get the diamonds.

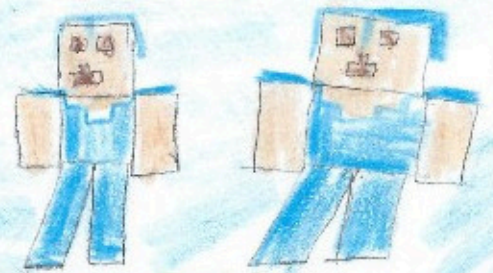

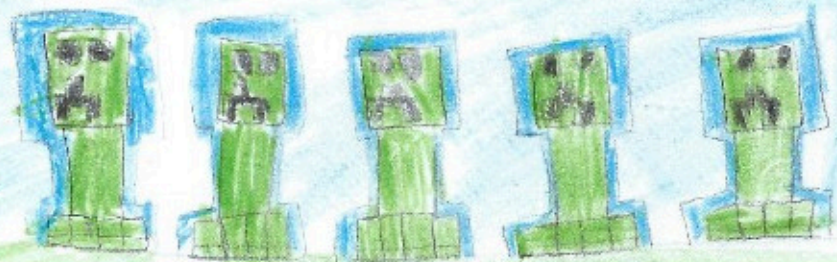

Our goal is to get the dragon egg first. We met someone new. She was a girl. I asked her, "Who are you?" She said, "My name is Lucy, and who are you?" I replied, "I am Steve. This is my friend Adam."

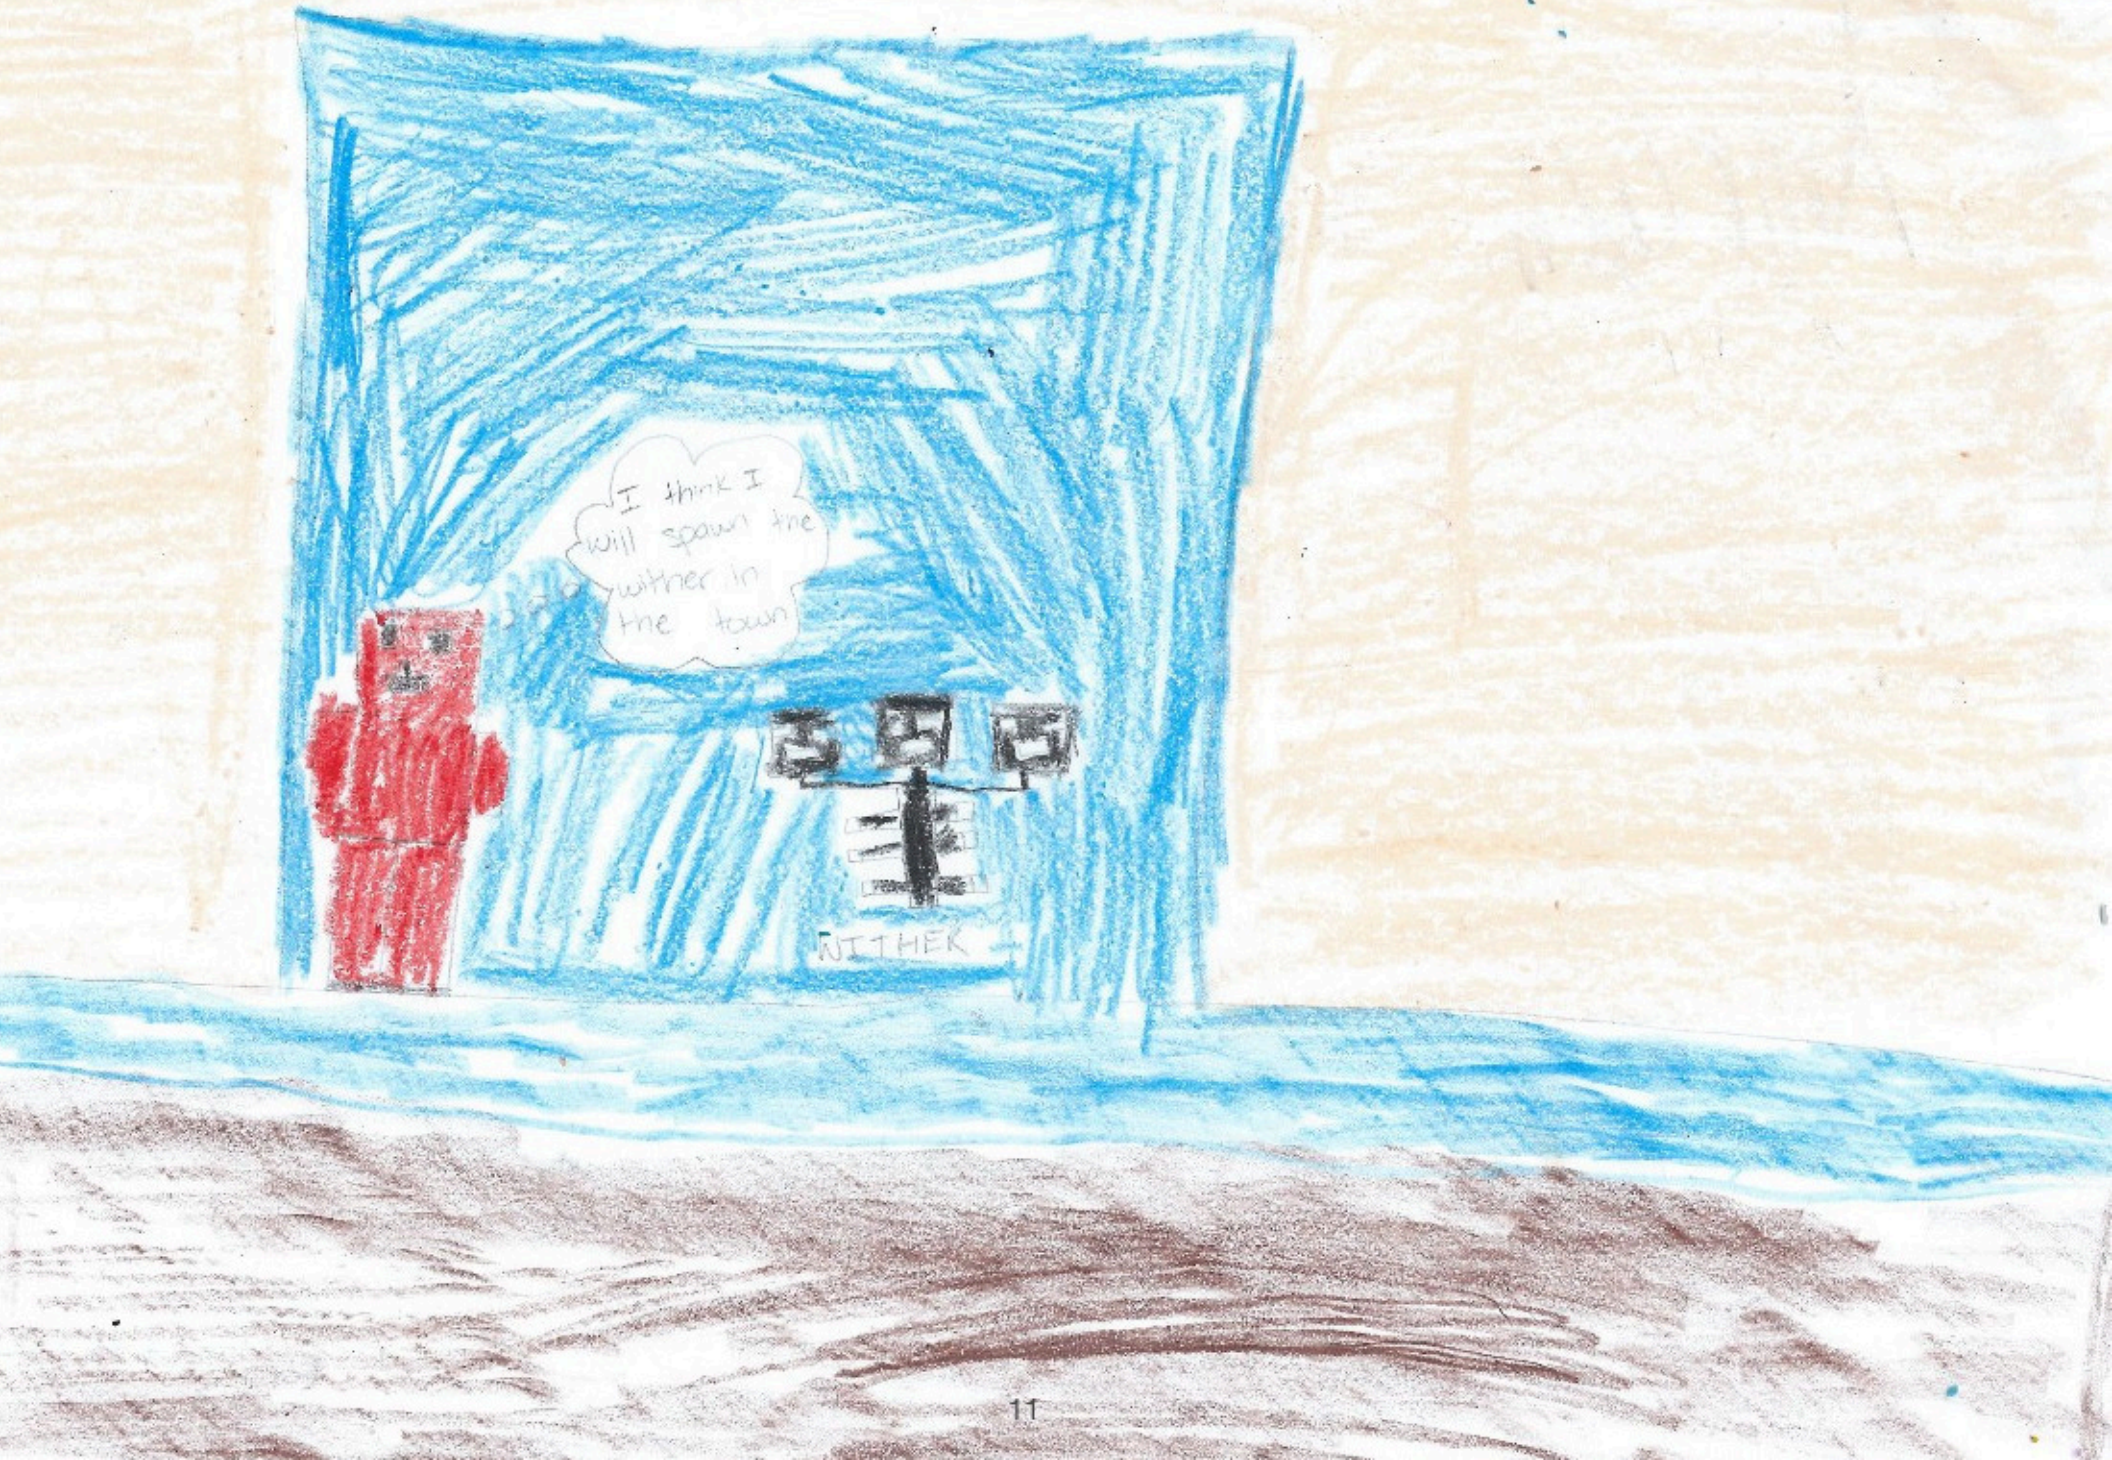

Lucy said, "Please get me ou-BOOM BOOM BOOM!!!!  
"Man," I said. "What was tha-""THERE'S NO TIME TO  
WASTE!!! THERE ARE FIVE CHARGED CREEPERS RIGHT  
BEHIND YOUR BACK!!!!!!!!!!!!!" Adam yelled. "Let's  
runnnnnnn!" "Hey what about me?" Lucy asked. "There's  
no time to waste! The grifers that were chasing us  
earlier secretly changed our mode to hardcore mode. So  
we can't save you until these charged creepers are  
gone," I said.

Meanwhile at Daniel's headquarters, Daniel was figuring out the commands to spawn the Wither. His headquarters is underground so it is very hard to locate. Daniel is planning to spawn the Wither in the town and leave to the End when he spawns the Wither. While the townspeople are fighting, he will be fighting the Ender Dragon. When he conquers the Ender Dragon he's going to go to the outer island and insert the egg into a chest, and get the legendary treasure!

I think I will spawn the wither in the town

WITHER

Meanwhile back at the town...The charged creepers are gone! Now I can save Lucy. She only had an iron pickaxe. Obsidian can't be destroyed by any pickaxe, except a diamond one."Now that Lucy is free, let's go to the end and stop Daniel," I said.

"Let's go to the forest and get a dog," suggested Adam.

Stizza

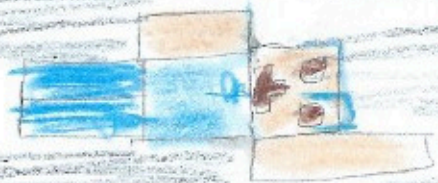

TH+

Meanwhile at the forest I said, "Look, a wolf! Let's tame him." I gave the wolf a bone aaand... It's tamed! "What should we name it?" I asked.

"We should name it Hope!" Lucy said. At the End, Daniel was about to get the egg and I dove for the egg and got it!!! 😊

Daniel yelled, "Hand that egg over!"

"Nope," I said. When we reached the town, everyone was cheering "Hooray for Steve!" Daniel didn't bother them for a long time, until...

# About the Author

Anirudh Aloni is eight years old and loves to play tennis. He also likes to play Minecraft and loves to build roller coasters. He loves to read a lot.
